

## Get on Board with Dolly Parton's Imagination Library

### *Key points*

- The key to success in school and beyond is developing proficient reading skills. One of the most important things a parent can do to develop these skills is to read with their child
- Monthly an age appropriate book is mailed to the home of the preschool (birth to 5) child at no cost to the parent regardless of income
- The Imagination Library is not a charity or a social service; it is a gift to all preschoolers in a community
