Today Club Recipients, 2016-17

Congratulations to all the clubs that achieved Today Club recognition for gifts to the Kiwanis Children's Fund in 2016-17. These exceptional clubs are tremendous role models for the Kiwanis family.

The Today Club program honors clubs that achieve a minimum per-member giving average from active dues-paying members during the Kiwanis administrative year (October 1 through September 30). Unrestricted gifts from clubs, individuals and other entities to the Kiwanis Children's Fund will be counted in determining per-member giving. The per-member giving level for clubs is based on the September 30 membership certified by Kiwanis International.
