Grant making

Once a donor advised fund account is established and the fund balance reaches at least US\$25,000, a spendable amount will be calculated for the fund and made available to grant in the subsequent fiscal year in support of Kiwanis-family causes. The annual spendable amount is determined by Kiwanis Children's Fund policy and is currently four percent of the fund's value on December 31 of the previous year.

An endowed gift of at least \$50,000 allows you to grant at least sixty percent of the annual spendable amount to Kiwanis causes. The remaining forty percent of grantable dollars may be granted to one or more non-Kiwanis organizations which qualify as 501(c)3 charitable organizations. The Kiwanis Children's Fund may require confirmation from grant recipients that all grant funds are used exclusively for charitable purposes.

There is no limit to the number of grants made from a fund, up to the total annual spendable amount. Grants may be requested for a minimum amount of \$500. Please submit a separate recommendation form for each organization to which you would like to make a grant. The Kiwanis Children's Fund retains the right to approve, reject or modify all grant recommendations.

Please be aware that the Kiwanis Children's Fund cannot honor any recommendations that satisfy an existing pledge you have made. Additionally, you may not directly or indirectly receive goods or services, including memberships, tickets to events or other benefits, in exchange for a grant made by the donor advised fund.

Successor election

Group donor advised funds are intended to continue in perpetuity and therefore cannot designate a successor. If a group donor advised fund account is terminated, the Kiwanis Children's Fund will

liquidate the remaining shares in the account and distribute the proceeds to the Kiwanis Children's Fund endowment.

To establish your donor advised fund account, you must read and acknowledge the following:

I acknowledge that the Kiwanis Children's Fund will receive a fee equal to one percent of the fund's value on December 31 for managing the donor advised fund account. I acknowledge that any contribution, once accepted, is an irrevocable gift to the Kiwanis Children's Fund. I hereby certify that, to the best of my knowledge, all information presented in connection with this application is accurate, and I will promptly notify the Kiwanis Children's Fund of any changes. I acknowledge the privacy policy of the Kiwanis Children's Fund can be found online. I acknowledge that the Kiwanis Children's Fund has final authority in all investment and grant making decisions.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date written below.
