KIWANIS CHILDREN'S FUND DISASTER RELIEF

When disaster strikes, the Kiwanis family responds. The Kiwanis Children's Fund provides disaster relief grants to help Kiwanis clubs and districts lead efforts to meet victims' most urgent needs.

In the wake of a disaster, Kiwanis organizers are encouraged to consult with the Children's Fund staff to determine how grant guidelines align with the most pressing needs in the disaster-struck area and with the club's or district's desired outcomes.

While every disaster scenario requires a unique and specific response, past relief activities organized by Kiwanians have included hands-on projects in which Kiwanians distributed basic necessities such as:

- Food
- Water
- Clothing
- Blankets
- First aid supplies
- Toiletries
