The Kiwanis family works together. The Kiwanis Children's Fund is a part of that unity. Kiwanis clubs, districts, and foundations can turn to us for answers and assistance in key areas of expertise.

FUNDRAISING

Looking for your next great fundraiser? We've got lots of ideas and experience to share. We can offer strategies and advice for raising funds through individual and corporate giving, grant applications, planned giving, and events. And when you tell us what works for you, we can pass along your best ideas to others.

NONPROFIT MANAGEMENT

Operating a club or district foundation can be complicated. Bring us your questions and challenges. We'll help you identify answers, options and best practices to help you reach your goals.

GRANTS

Our club grants help Kiwanians complete or expand a service initiative that supports health, education or youth leadership development.

Eligible Kiwanis districts can apply for a short-term grant every year. Our staff is ready to answer your questions about the application process.

SPEAKERS AND PRESENTATIONS

Whether its presented by one of our volunteers or a staff member, the Kiwanis Children's Fund is ready to bring information and inspiration to your club meeting or district event.
