

WE HELP MAKE REMARKABLE THINGS HAPPEN FOR KIDS AND COMMUNITIES AROUND THE WORLD.

SERVICE LEADERSHIP PROGRAMS

WE'RE HELPING BUILD A STRONGER GENERATION OF LEADERS AND SERVICE VOLUNTEERS.

You know that the Kiwanis family includes Kiwanis clubs. But it also includes members of every age and ability — from elementary school students to adults with disabilities. These members are part of Kiwanis' Service Leadership Programs. With your gifts, we support these programs' strategic plans and initiatives.

CLUB AND DISTRICT SERVICE PROJECTS

WE HELP CLUBS AND DISTRICTS FULFILL THE UNMET NEEDS OF CHILDREN IN THEIR COMMUNITIES.

Many communities struggle to meet all the needs of children. We provide grants for Kiwanis-led, hands-on service projects that focus on health, education and youth leadership development.

DISASTER RELIEF

WE MAKE SURE THAT WHEN DISASTER STRIKES, THE KIWANIS FAMILY CAN RESPOND.

Our simple application process makes it easy for clubs or districts to get disaster relief funding promptly. While others are forced to wait for funding and aid, Kiwanis clubs and districts can hit the ground running. They are often part of the community that has been struck — and better able to assess the most urgent needs of children and families affected.

THE ELIMINATE PROJECT

WE ARE ELIMINATING A PAINFUL, PREVENTABLE DISEASE THAT KILLS MOTHERS AND BABIES AROUND THE WORLD.

In 2010, we teamed up with UNICEF to eliminate maternal and neonatal tetanus (MNT) from the face of the earth. Once we eliminate MNT in the remaining countries, where thousands of babies still die each year, we will sustain our efforts so that it never returns.

IODINE DEFICIENCY DISORDERS

WE SAW A MENTAL HEALTH PROBLEM THAT COULD BE PREVENTED, SO WE DID IT.

Kiwanis teamed up with UNICEF in 1994 to address the leading preventable cause of mental disabilities — iodine deficiency. To date we've helped raise more than US\$100 million to give millions of children the chance to live healthy, happy and productive lives. We continue to sustain these efforts worldwide today.
