Kiwanis stories You have a friend

When you make friends with Kiwanians on Facebook, you discover the great variety of Kiwanis-family service worldwide. Here's just a sample:

Colombia

The Philippines: "A Night with Bintao—Dinner with a Cause" raises funds so the [Kiwanis Club of Bintao](#) can serve meals to schoolchildren.

France

Colombia: One of the [Walash Circle K Club's](#) (Spanish) favorite places is the Leon XIII preschool, where they have fun with the young children. Recently, however, they made arrangements with the school to have fun with another generation. Teamed with their sponsoring Kiwanis Club of El Dorado, Bogotá, the Circle K members hosted a party for senior citizens, including a meal and dancing.

Guadeloupe: This past Easter, the K-Kids Club at Our Lady of Grace in the community of Abymes handed out trash bags to campers to keep local beaches clean. Members of the [Kiwanis Club of Kaladja](#) (French) supervised the students.

Guadeloupe

Ohio: The [Kiwanis Club of West Geauga](#) built and donated a storage facility to the baseball program at West Geauga High School.

France: Martin Chasseret participates in cycle tours on tandem he received from the [Kiwanis Club of Cognac François 1^{er}](#) (French). "Congrats to him for his courage and his will to go beyond his blindness," posted one reader.

The Eliminate Project Building a team of 8,999+1

The Eliminate Project's fundraising campaign team is growing rapidly. During the month of January, campaign division coordinators will be oriented around the world. Once division coordinators are oriented, they will recruit a campaign chairman in each club. We plan to have our team of 9,000 leaders in place by May 2012.

Is your club a [Model Club](#)?

Did you know that each member of your club could save or protect 416 lives? When clubs commit to becoming a Model Club, each member saves or protects an average of 416 mothers and their future newborns. A Model Club commits to give a per-member average of US\$750 to The Eliminate Project. Clubs have the ability to raise these funds over

multiple years (up to five). [More than 58 clubs](#) have already committed Model Club status. By pledging to become a Model Club, your club will inspire other clubs to join in our quest to eliminate maternal and neonatal tetanus by 2015.

We want to hear your stories!

As you and your club plan fundraising activities for The Eliminate Project, remember to share your ideas with each other. [The Eliminate Project News](#) is a great place to read what Kiwanis-family members are doing to raise much-needed funds for The Eliminate Project. If you have already started your fundraising, be sure to share your ideas on the [blog](#).

Kiwanis International has [tools to help](#), including a game plan, project ideas and examples from past years' One Day activities.

Don't forget to enter the Kiwanis One Day contest.

Kiwanis International is looking for exciting One Day projects to cover for a future Kiwanis magazine article and to produce a professional video. Just fill out the [online entry form](#) before the February 15 deadline.

Kiwanis magazine How green is your garden?

Community gardens can be urban, suburban or rural. They can grow flowers or vegetables. They can be one community plot or many individual plots. They can be at a school, hospital or in a neighborhood. And, as in the case of three North American Kiwanis clubs, they

Reaching for excellence

Good wasn't good enough for a six-year-old club that took an honest look at itself, built on its strengths and became its community's 'go-to' team of volunteers. The February Kiwanis magazine will show you how the Kiwanis Club of Hooksett, New Hampshire, nearly doubled its membership.

Kiwanis International Foundation Blimp pilot gives his life to save passengers

The odor of fuel and a loud whirring noise, and Michael Nerandzic knew instantly that his airship was only moments away from disaster. What the blimp pilot did in those few moments earned him the Kiwanis International Foundation's [Robert P. Connelly Medal for Heroism](#).

Nerandzic, from Balgownie, Australia, was flying three journalist from a music festival in Germany, when he made the heroic decision that would save the passengers but end his life. Realizing the ship had caught fire during a descent over an airfield in Reichelsheim, Germany, the pilot hovered near the ground and told the passengers to jump from the gondola.

As they did, the ship shot up into the air and exploded, killing Nerandzic.

He was nominated for the medal by the Kiwanis Club of Glenelg, South Australia.

The foundation medal honors individuals who, like Nerandzic, risk physical harm or death to save another person.

Attract alumni through Facebook

The Key Club and Circle K International alumni associations offer rich recruiting potential to Kiwanis clubs and districts. After all, former members of Key Club and CKI are service-minded people, and they're familiar with Kiwanis. Privacy policies prevent Kiwanis and its alumni associations from distributing contact lists to recruiting Kiwanians—but you can still reach alumni association members.

Here's one great way: Facebook. [Learn how](#) to use this social media tool to bring former Key Club and CKI members back into the Kiwanis family.
