HOSPITAL DOLL
PATTERN

On behalf of the children in our hospitals who are
these dolls, Kiwanians thanks you most sincerely
for participating in this project.

Stuffing Instructions

The dolls are stuffed through the gap in the leg.
Chopsticks are good tools to push in stuffing.
Start with the head, then arms, then legs.

Leaving 6.5cm gap for stuffing.

Sewing Instructions

Use the width of your sewing machine foot.
Leaves a gap of approximately 6.5 centimeters or 2.5 inches.
Sew in the label on the opposite leg.

Label

Pattern and instructions provided by the Kiwanis Club of Burnsie, South Australia.
