Proposed Bylaw Amendments and Proposed Resolutions

What’s the difference between a bylaw amendment and a resolution?

- A bylaw amendment proposes a change to the Kiwanis International bylaws regarding administrative issues of Kiwanis International and its clubs.*

- A resolution proposes action relating to service matters, social concerns, or special initiatives. Resolutions may not be used to change the K.I. bylaws.

A sample amendment and resolution are shown at the end of this document.

Who may submit proposed amendments or resolutions?

Proposed bylaw amendments or resolutions may be submitted by:

- A club by majority vote of its membership. Proposals cannot be accepted from a club board or an individual Kiwanian.

- A district by a majority vote of its board of trustees or its house of delegates.

- The Kiwanis International board.

When are proposals due?

Submissions of proposed bylaw amendments or resolutions must be received (not postmarked) by Kiwanis International no later than October 31 prior to the Kiwanis International Convention at which they will be considered. Postmark has no bearing on submission date.

To clarify: Any proposals received between July 1 and October 31, 2013, will be considered at the 2014 K.I. Convention. Any proposals received after October 31, 2013, cannot be considered until the 2015 K.I. Convention.
Proposals may be sent by postal mail, fax or email. Send proposals to: Attention Executive Director, Kiwanis International, 3636 Woodview Trace, Indianapolis, IN 46268, or fax to 317.879.0204, or email to governance@kiwanis.org. **Note:** If you send your proposal through postal mail, please use certified mail or some other traceable method.

> “Don’t wait until the last minute to submit a bylaw amendment or resolution,” cautions Barry Glazer, Kiwanis International’s parliamentarian and past president of the American Institute of Parliamentarians. “Begin working on it early to allow advance time to consult with the staff, parliamentarian, and any reviewing committees. They can provide advice as to whether the amendment is in the proper form, if the language is appropriate, if it addresses all relevant provisions, and potential problems with implementation. Last minute submissions usually do not permit opportunities for improving the final wording of your proposal.”

**How do I write a proposed amendment?**

Drafting amendment proposals takes careful preparation.

- Include a clear statement of the basic purpose or intention of your proposal (what you hope it will accomplish), along with your rationale (key reasons) for proposing it. See the separate section below on *Statement of the Proposer’s Rationale* for further information.

- Indicate which section(s) of the bylaws you propose to amend and write the *exact* wording of your proposal. If your club or district needs help identifying the correct provision or finalizing the exact wording, Kiwanis International Staff can assist you; contact the Governance Specialist at governance@kiwanis.org. Allow 2-4 weeks *prior to the submission deadline* for such consultation.

- Consider a reasonable effective date for implementation of your proposal, keeping in mind whether additional processes must first be developed and put into place. State the effective date as part of your proposal.

- Consider any financial ramifications or possible unintended consequences of your proposal and, if necessary, revise the wording to account for these.

- Your club or district must submit a letter in writing (postal mail, fax, or email) informing Kiwanis International that it has adopted the proposal. Follow the sample format shown near the end of this document.
• The club or district may also wish to designate a member who is authorized to work with Kiwanis International on behalf of the club or district to make revisions that may be recommended. This is a good practice because sometimes there is not enough time between recommendations from K.I. and the next step in the process for a club or district to formally meet again and vote on recommended changes. Instead, the club or district may designate that a particular club member is authorized to approve changes on its behalf that are in keeping with the intention of its original proposal.

• Submit your proposal as soon as possible but no later than October 31, for consideration at the next K.I. convention.

Statement of the proposer’s rationale

If your club or district is submitting an amendment proposal, it must include a few key points stating why the amendment is important; why delegates should adopt it; how it will improve Kiwanis growth, service, or the member experience; etc. Text should start with “The club [or district] advocates this amendment for the following reasons,” with the reasons then stated in sentence format as bullet points. See the sample format below. Your rationale should be approximately 100 words or less altogether, and may be subject to editing by Kiwanis International for clarity, accuracy, and succinctness. (“The club advocates” line does not count toward the 100 word limit.)

Sample rationale:
The club [or district] advocates this amendment for the following reasons:
  • This change will.....
  • Members should have this option because....
  • It also will help Kiwanis by....

(Note: Your rationale does not need to start with these exact words or phrasing. They are just listed as helpful hints in your thought process.)

This brief rationale will be included in the amendments booklet that eventually is shared with clubs. The booklet will also contain the rationale of the Kiwanis International board in supporting or opposing your proposal.

Your club or district may also submit a cover page explaining its rationale in greater detail; however, a 100-word version is needed with submission.

Tip: (1) In Microsoft Word 2007, the word count is shown at the bottom of the document screen. (2) In Microsoft Word 2003, after writing the text, choose “Tools” then “Word Count,” which will display the total number of words.
**How do I write a proposed resolution?**

Resolutions are simpler to construct than amendments. Simply state each of the key reasons for making the proposal as “Whereas” statements, then state what you want to ultimately accomplish in the “Therefore, be it resolved” clause. See the sample resolution at the end of this document.

**What happens to proposals after they are submitted?**

After you’ve submitted your proposed bylaw amendment or resolution to Kiwanis International by the October 31 deadline, here’s what happens:

- Staff acknowledges receipt of your proposal in writing (by postal mail, email, or fax).
- Staff verifies whether your submission is a proposed amendment or resolution and initially reviews the document for general format, content, and accuracy. Staff may give initial advice and suggestions to the club or district, based on this review.
- The proposal is forwarded to the International Committee on Resolutions and Bylaws for more thorough review.

<td>- The committee or the K.I. board may contact your club or district for clarification or to offer guidance on how to form an amendment that more fully captures your intent. However, neither the committee nor the board has authority to change an amendment proposal unless the club or district agrees to the change.</td>
<td>- The committee has the authority to accept, reject, edit, or combine any resolution proposals.</td>

<td>- The committee and the K.I. board determine which resolutions will be proposed and the final language of each.</td>

- When the K.I. board meets in mid-January, it determines whether to support, not support, or take no position on each proposal.

  *Please note that assistance or advice from the Resolutions and Bylaws Committee or from Staff has no bearing on whether or not the board will ultimately support your proposal. The committee and Staff help ensure the wording and format of your proposal meets your stated intention, but cannot predict board support of that intention.*
All bylaw amendment proposals from clubs or districts, as well as all resolution proposals approved by the K.I. board, are included in the annual amendments and resolutions booklet and placed on the agenda for the House of Delegates at the next Kiwanis International convention.

The annual amendments and resolutions booklet is made available to clubs on the Kiwanis website not later than 90 days prior to the convention at which the proposals will be considered. Clubs are notified via email.

At the next Kiwanis International convention, your proposed bylaw amendment or resolution arrives on the floor of the House of Delegates.

During the House of Delegates at the International convention:
  - Someone must move the adoption of your bylaw amendment. Moving adoption of your amendment may be done by a member of your club or district or by any other delegate. If no motion to adopt is received from the House of Delegates, the amendment will not be considered.
  - The K.I. board moves adoption of each resolution.

Delegates vote on each proposal moved for adoption. A simple majority vote is needed to adopt resolutions. Some bylaws amendments require a majority to pass, while others require a two-thirds vote, depending on which provisions are being amended.

Questions?

If you have any questions, contact the Governance Specialist at the International Office:
governance@kiwanis.org.

* Be aware that the Standard Form for Club Bylaws and the Standard Form for District Bylaws are under full authority of the Kiwanis International board, not the House of Delegates at International Conventions. If your club or district wishes to propose a revision to either the Standard Form for Club Bylaws or the Standard Form for District Bylaws, it should do so by submitting a formal request to the Kiwanis International board, via either the Executive Director or Governance Specialist. Such request will then be considered by the International board as soon as possible and you will be advised of the outcome.
Note: If a proposal is being submitted by a district, revise the following fields as appropriate.
