DEAR FRIENDS,

Are you ready for inspiration, fellowship, connections, education and celebration? I am! Welcome to the 101st Annual Kiwanis International Convention. Welcome to the 100th Anniversary celebration of Kiwanis in Canada!

Each year, Kiwanians from around the world get together to celebrate our successes and discuss ways to make this organization stronger. This year will be no different. We have intentionally created spaces, workshops, general sessions and celebrations that will help you connect with others to share ideas on service, philanthropy and club strengthening. I hope those connections will inspire you to return home and make your club even better. A stronger Kiwanis will make a bigger difference in every community, where kids need Kiwanis.

In addition, I hope you will enjoy the energy and spirit the members of Circle K International will add to our convention. Their convention is running concurrently with ours. Aktion Club is holding their Training and Leadership Conference (TLC) right here in Toronto too! I have invited them to all of our events. Why don’t you plan time in your schedule to join them? We are all partners in service, and I hope you will make an effort to connect with them to strengthen the ties that bond our organizations.

Thank you for your service to the Kiwanis family. Thank you for allowing me the opportunity to serve as your president this year. But most importantly, thank you for serving the children of the world. #KidsNeedKiwanis

In Kiwanis service,

Sue Petrisin
2015–16 president
Kiwanis International
WELCOME TO TORONTO

It has been more than 30 years since Toronto served as the host to the Kiwanis International convention in 1985. As you can imagine, much has changed! Welcome back to our beautiful city as we celebrate 100 years of Kiwanis in Canada.

We are excited to have you join us to enjoy the sights, sounds, tastes and hospitality of Canada’s largest city. You will soon discover that you have landed in one of the most diverse and multi-cultural cities anywhere. We invite you to tour the world while you are here. Explore our ethnic and cultural neighbourhoods. While you are downtown, enjoy the many restaurants, theatres and concerts.

You may choose to go further afield to visit the pandas at the Toronto Zoo, located in the eastern part of the city, or Niagara Falls, a short 75-minute drive to the west of the city. On your return don’t forget to have your photo taken in front of the new TORONTO sign at our iconic City Hall! There is so much to see and do when you are here. Let’s take some time to get to know each other, to learn from each other and to build Kiwanis together!

Enjoy our convention—EH!

Your convention team,

George Rowell  Betty Barriage
Laura Somerville  Linda Keill
Kathi Silke  Tracey Harding

WHAT YOU NEED TO KNOW

Registration
The registration and service desks are located inside Hall F of the Metro Toronto Convention Center. (See page 15 for hours.)

Delegate certification (credentials)
All clubs in good standing are entitled to two delegates and two alternates, each of whom must be certified in advance. The delegate certification desk is located in Hall F and is open during registration hours. To be in good standing, a club must be less than sixty (60) days in arrears for any indebtedness to Kiwanis International or its district (or its federation, if any). No delegate may receive credentials to represent a club that is past due in these financial obligations.

Guest information
Are you a registered guest at the Kiwanis International convention? Need ideas about what to do? As a paid guest, you have full access to all convention workshops and forums, the Kiwanis Family Store, World Showcase and sessions. Registered Kiwanians and guests can visit Hall F to purchase tickets to special events at the registration desk. Book official Kiwanis tours at the tours information desk.

NOTE: All paying Kiwanian convention attendees also receive a one-day free pass in their registration packets. The pass allows a friend or family member to enter the Kiwanis World Showcase free for a day. Guests of Kiwanians who do not wish to register for the convention are encouraged to participate in official Kiwanis tours and attend ticketed events.

Information desk
Stop by the information desk at the bottom of the escalator near the shuttle drop off with your questions about convention activities, area attractions and more.

Wi-Fi
Free Wi-Fi access will be available throughout the convention center.

Personal convention schedule
You may complete your personal online schedule on-site in the registration area. Go to KiwanisOne.org/myschedule. Log in using your KiwanisOne email and password. First-time users will be given an option to register.
Official convention hashtag
Share your convention photos and experiences with Kiwanians around the world! Use #KiwanisCon16—the official convention hashtag—when posting and tweeting on social media. Follow @Kiwanis on Twitter for official updates and to join the conversation.

Kiwanis convention app
Stay connected to what's happening during the convention with the Kiwanis International convention mobile app. Plan your schedule, connect with other attendees, receive real-time updates and more! Kiwanis-family events
This year, Kiwanis International holds its convention concurrently with Circle K International's CKIx events and Aktion Club's Training and Leadership Conference. Your convention or event registration allows you access to Kiwanis International workshops and sessions as well as CKI and Aktion Club workshops and sessions. Some meals or functions can only be attended by ticket holders. You also have access to the Kiwanis World Showcase. Please allow the members of the organization attending their own events to take their seats first. If space allows, others may be seated. Consult Circle K and Aktion club programs starting on page 10.

Alcohol policy regarding youth
Kiwanians must refrain from purchasing or providing alcoholic beverages to any Circle K International member of any age attending the Service Leadership Programs conventions. The Circle K convention prohibits the possession, sale and/or consumption of alcoholic beverages by members during a sponsored event.

Interpretation
Simultaneous interpretation into select languages will be offered during the opening, business and closing sessions. Equipment rental is free. See rental guidelines at the simultaneous equipment rental booth located in Hall F.
Ribbons
Delegate ribbons have been placed in the registration packets for those who preregistered as delegates. Find the ribbons booth inside the Kiwanis World Showcase to pick up First Timer and other fun ribbons to add to your convention name badge. A small donation to the Kiwanis Children’s Fund is appreciated. The Kiwanis International Foundation also distributes various recognition ribbons—such as George F. Hixson Fellowship, Life Member or Heritage Society ribbons—at its booth in the Kiwanis World Showcase.

If you’re a new leader in your club, join us for positional training. Learn the ins and outs of your role. And find resources that make it easier. Because a leadership position is one thing. Making the most of it is another.

Join us Thursday afternoon in the 700 area rooms. See page 17 of this program for details.
This year’s convention is full of special topics and positional education opportunities. And the schedule takes into account the feedback received from last year’s event. Lessons learned include:

• You want to leave the convention with tools to help you be successful. For those in or about to be in a leadership position, that includes positional education. Thursday afternoon is dedicated to this.

• You LOVED the Saturday format of members sharing their awesome projects and club activities, so we added an additional hour.

Here’s an overview of the education format to help you plan your experience:

**THURSDAY**

**Morning** - Half-hour talks to give you tools you and your fellow club members can use right away in five different areas that relate to the I-Plan, Kiwanis’ strategic plan:

1. Inspiration-The Formula: Membership and engagement
2. Impact: Meaningful service
3. Image: Our Kiwanis image
4. Investment: Financial viability
5. Service Leadership Programs

**Afternoon** - Think about your current or upcoming leadership responsibilities, and choose the positional training course or meeting that would best prepare you.

**SATURDAY**

An idea exchange where members will hear real success stories about service, fundraising, membership and branding. These six-minute talks will be brief, yet beneficial.

A town hall discussion on inclusiveness picks up the conversation started in 2015. Join the discussion to learn and share about how inclusiveness opens the door wide for more enlightenment, more members and more service to children.

**First timers! Special session just for you on Wednesday at 3 p.m. or Thursday at 9 a.m.!**
Don’t keep your love to yourself.

Happiness is contagious. When you share the good things your club is doing for children in your local area, you’ll be amazed at the response you get. Visit The Formula Carnival booth in the World Showcase and share what you’re doing to win prizes.

Is your club ready to go global?

K Corps is Kiwanis International’s new exchange program for Kiwanis teens (15-18). Through the two-week program, participants learn about their host country, live with volunteer host club families, and participate in club-designed service projects.

For Kiwanis-family teens, it's a chance to do what Kiwanis members do best— in host communities half a world away. Check this program booklet for the K Corps workshop time and location, and find out if your club is ready to go global!

“Good morning, Earth!” That is how Colonel Chris Hadfield, writing on Twitter, woke up the world every day while living for five months aboard the International Space Station as its first Canadian commander. Through his 21 years as an astronaut, three spaceflights and 2,600 orbits of Earth, Colonel Hadfield has become a worldwide sensation, harnessing the power of social media to make outer space accessible to millions, and infusing a sense of wonder into our collective consciousness not felt since humanity first walked on the Moon. Called “the most famous astronaut since Neil Armstrong,” Colonel Hadfield continues to bring the marvels of science and space travel to everyone he encounters.

Colonel Hadfield will address Kiwanians and guests during the convention’s Opening Session. He will receive the Humanitarian Award, which is presented by the Kiwanis International president to honor high-profile people making a difference in their community.
JEWEL

Jewel is an acclaimed singer, songwriter, actress, poet, painter and philanthropist. The four-time Grammy nominee, hailed by the New York Times as a “songwriter bursting with talents,” has enjoyed career longevity rare among her generation of artists. Already a legendary performer in the music industry, Jewel has been writing poetry and short stories since she was young. Now this talented artist opens the pages of her most intimate journals to give audiences a glimpse of her magical, turbulent life.

Jewel will perform a private concert after the gala dinner on Saturday, June 25.
TALLI OSBORNE

Though Talli was born missing her arms and bones in her legs, she was raised with the belief that she could do anything she wanted, and this determined attitude is exactly how she lives her life. Though Talli’s interests are in helping and motivating others, one of her other loves is music. She’s recognizable in many punk scenes around the world, and for the past four years, she’s fronted her own melodic-punk band, performing in many landmark venues in Toronto.

Talli feels that being an inspirational speaker was something she was born to do. She loves changing perceptions and attitudes and sharing her stories with others. As Talli says, she wants to spread inspiration, love and punk rock, across the globe, one talk at a time.

Talli will address Kiwanians and guests during the Fellowship Breakfast on Friday.

CHOIR!CHOIR!CHOIR!

Choir!Choir!Choir! is an international singing phenomenon that exemplifies the best of creativity, collaboration and community-building. Founders Nobu Adilman and Daveed Goldman talk about these themes—and then make audiences feel them. Packed with humorous interplay, Choir!Choir!Choir! is a showstopper for the collaborative process: teamwork at its most harmonious.

Warm up your voices for the Closing Session!
