Kiwanis and JCI are proud of a partnership that benefits communities around the world. In fact, each organization gains power from the service and strengths of its partner.

For the Kiwanis family, this includes:

• Collaboration with JCI Local Organizations and young citizens ages 18 to 40 in more than 125 countries.
• Connection with an expansive network of JCI alumni who continue to be engaged in their communities.
• Opportunities for joint activities and projects that support the Post-2015 Global Development Agenda.
• The JCI Active Citizen Framework, which aligns with Kiwanis International’s mission by addressing local community needs and developing sustainable solutions.
