**HIGHLIGHTS**

**Don’t miss these events in Toronto**

Kiwanis members from around the world will unite in Toronto this June during the Kiwanis International convention. The Kiwanis International Foundation is excited to be part of the action. We look forward to seeing you and invite you to join us at these special events hosted by our foundation. Make sure to stop by our booth in the exhibit hall for a chance to interact with one of our grant-funded projects. Check our Facebook page for more details leading up to Toronto.

**Hixson Fellowship update**

The [George F. Hixson Fellowship](https://www.kiwanis.org/foundation/hixson-fellowship) is bestowed upon donors who give US$1,000 or more to our foundation. During The Eliminate Project, this giving opportunity was awarded for gifts supporting our Global Campaign for Children. However, on January 1, 2016, the George F. Hixson Fellowship reverted back to its original guidelines. It is now awarded exclusively for gifts designated to the Kiwanis Children’s Fund. With your one-time gift or two-year pledge, your contribution helps fund grants to Kiwanis Service Leadership Programs as well as Kiwanis clubs, districts and district foundations.

**CAMPAIGN CONNECTION**

As of March 23, 2016, The Eliminate Project has raised more than **US$53.1 million** in paid gifts. That is nearly half of our goal. We must continue to fulfill pledges quickly and release funds so UNICEF can vaccinate women in the 21 countries where maternal and neonatal tetanus remains a threat. Help Kiwanis make history and be a part of changing the course of humanity by [fulfilling your promise today](https://www.kiwanis.org/foundation/eliminate).
