Kiwanis and Sister Cities International are proud of their partnership, which will benefit communities around the world. Each organization gains power from the service and strengths of its partner.

For the Kiwanis family, this includes:
- Access to more than 2,100 international partnerships in 145 countries.
- International extension of Kiwanis’ service mission through Sister Cities International’s compatible mission of citizen diplomacy.
- Connections to new club and event speakers via members of the U.S. and Foreign diplomatic corps, as well as sister city members.
- Member rates for many Sister Cities International events.
- Connections to municipal leaders, trusted nonprofits, private organizations and other civic groups.
- Access to high school and professional exchange opportunities.
- Opportunities for Kiwanis family members in sister cities to collaborate.
- Promotion of Kiwanis events, news and service opportunities throughout the sister city network.

Kiwanis and Sister Cities International are proud of their partnership, which will benefit communities around the world. Each organization gains power from the service and strengths of its partner.

For Sister Cities International, this includes:

• Access to the Kiwanis network of over 600,000 adult and youth members in 81 nations.
• Compatibility of Sister Cities International’s mission of citizen diplomacy with Kiwanis’ mission of service.
• Promotion of Sister Cities International events, news and service opportunities throughout the Kiwanis network.
• Potential for Kiwanis service and fundraising initiatives that support sister cities locally.
• Connections to service-oriented high school and college students through Kiwanis’ Key Club and Circle K International programs.
• Access to Kiwanis clubs’ expertise on effective local fundraising.
• Opportunities to promote sister city partnerships at local Kiwanis club meetings and events.
• Opportunities to engage adults with disabilities through Kiwanis Aktion Clubs.
• Grassroots potential for new sister city relationships and stronger existing partnerships through Kiwanis clubs.
