DEAR FRIENDS,

Welcome to Paris and our 102nd Annual Kiwanis International Convention!

What an exciting time to educate, engage and empower each of us for a better Kiwanis! Listen and learn new things at the workshops and forums, which will spark fresh thoughts and inspire new projects. Attend the business session, and vote on the officers and amendments that will help create our future. Engage with fellow Kiwanians and adopt practices to keep Kiwanis alive, resilient and fun. Learn about ways to empower your clubs for more efficient and effective service to the children of the world.

When you’re finished tending to our education and business, take time to experience the charm of the City of Light. Tour a museum, stroll through a park, and let the aromas lure you to a bakery or café. On Friday, enjoy Bastille Day, the national holiday of France, with a parade and fireworks at the Eiffel Tower.

Listen, learn and be inspired this week. Let’s enjoy the culture of this stunning city and then take an energized spirit of Kiwanis back to our communities—where we’ll perform more service, strengthen our membership, open more clubs and continue to energize the dream that every child is happy, healthy, safe and loved!

Jane M. Erickson
2016–17 president
Kiwanis International
WELCOME TO PARIS

For the first time, Paris is hosting the Kiwanis International convention. The Kiwanians from the France-Monaco District have been preparing for your arrival with eager anticipation.

You’re going to experience unforgettable moments of sharing, enthusiasm and discovery with friends from all over the world. The opening and closing sessions, which are traditionally moving, enriching and lively, are being held in conjunction with the Kiwanis International-European Federation convention. Don’t miss these!

The Palais des Congrès is perfectly located for discovering Paris’ exceptional heritage, and you’ll experience it in a unique atmosphere: On July 14, the national holiday of Bastille Day will result in many festivities—including the military parade on the Champs Élysées, a firework display at the Eiffel Tower and balls organized by firefighters all over the city.

Enjoy it all, and let’s party!

Marie-Jeanne Boutroy
Host committee chair
and the members of the France-Monaco District host committee

When you love what you do, it shows. It shines in everything you accomplish. It rings out in everything you say. It’s the kind of passion that people want to share. So make your love for Kiwanis an inspiration to fellow club members—and a reason for nonmembers to join. It all starts with what’s in your heart.

Kids need Kiwanis. Your gift to the Kiwanis Children’s Fund helps other Kiwanians reach them. You support Kiwanis club, district and Kiwanis-family programs serving all ages and abilities. You extend your impact...and change the lives of children near and far.

kiwanis.org/childrensfund
In 1960, when Ruby Bridges was only six years old, she became one of the first black children to integrate the United States’ all-white public school system. Greeted by an angry mob and escorted by federal marshals, Ruby bravely crossed the threshold of this school and into history, initiating the desegregation of United States’ public schools. She held her head high every day, never missing a school day that whole year.

Her walk to the front door of William Frantz Elementary School was immortalized in Norman Rockwell’s famous painting, “The Problem We All Live With,” Robert Coles’ “The Story of Ruby Bridges” and in the Disney movie “Ruby Bridges.” In addition, she published “Through My Eyes,” her own award-winning version of her story.

Throughout her adult life, Ruby has been committed to ensuring that all children have an opportunity to receive a good education. The Ruby Bridges Foundation serves as a vehicle that emphasizes and promotes the values of tolerance, respect and appreciation of differences.
Kiwanis is about service and fellowship. It’s about changing children’s lives. It’s about all the things that inspire people to join. That’s why you need to tell your story! Make sure to share what you love about Kiwanis—so you can strengthen what you love about your club.

Écoutez, apprenez et laissez-vous inspirer pendant cette semaine. Profitez de l’offre culturelle de cette ville superbe et rapportons de ce séjour un esprit Kiwanis revivifié dans nos collectivités pour fournir plus de service, renforcer nos effectifs, créer plus de clubs et poursuivre notre rêve de voir tous les enfants heureux, en bonne santé, en sécurité et aimés !

RUBY BRIDGES

En 1960, Ruby Bridges, âgée de six ans, a été l’un des premiers enfants noirs à intégrer le système scolaire public des États-Unis, alors réservé aux blancs. Accueillie par des protestations et escortée par des officiers de la police fédérale, Ruby a franchi bravement le seuil de l’école, entrant ainsi dans l’Histoire et initiant la déségrégation des écoles publiques. Elle n’a pas manqué un seul jour de classe cette année-là et a tenu la tête haute.

Sa marche vers la porte de l’école élémentaire William Frantz a été immortalisée dans le célèbre tableau de Norman Rockwell, « The Problem We All Live With », dans le livre de Robert Coles « The Story of Ruby Bridges », et dans le film « Le Combat de Ruby Bridges ». Elle a en outre publié sa propre version de son histoire, « Through My Eyes », qui a reçu de nombreux prix.

Durant toute sa vie d’adulte, Ruby a lutté pour garantir que tous les enfants aient accès à une bonne scolarité. La Fondation Ruby Bridges est une institution qui défend les valeurs de tolérance, de respect et de reconnaissance des différences.

True pride shows. Live your love for Kiwanis out loud.

What you love becomes part of your life. It’s no different with Kiwanis. When you love your club, it shows in the impact of your service. It’s visible in your branded apparel. It’s the kind of pride that people see and want to feel for themselves. Strengthen Kiwanis by sharing Kiwanis. Live what you love out loud.

Thank you for fulfilling your pledges to The Eliminate Project as fast as possible. We are grateful for your continued commitment to reach the most vulnerable, and to protect every woman, every baby, and every family against tetanus.

24,000 more babies alive every year than in 2010

We’ve reached the most important part of The Eliminate Project: fulfillment. Millions of mothers are counting on us. If you made a pledge, it’s time to make your impact with a gift that will save or protect the lives of women and their babies from maternal and neonatal tetanus.

Finish the fight. Fulfill your pledge.
