How to use Foundant

What is Foundant?

Foundant is the online grant and scholarship application and evaluation system of the Kiwanis Children’s Fund.

How to access Foundant

A Foundant account has been created for you. You should have received your login information in an email sent from grants@kiwanis.org.

To log in, go to kiwanischildrensfund.org/grants-apply and enter your username and password.

You can change your password at any time by clicking “Forgot my password” on the login screen. Please use this login information each time you access Foundant. You may change your password, but do not create a new account.

Applying for an invitation only grant

Upon logging in, you will be brought to your Dashboard. Click on “Apply” to take you to the screen to apply for our grant opportunities.

Enter the access code that was provided to you in your email. Note: If you were invited to apply for multiple grant opportunities, each opportunity will have its own access code.
Once you have entered the correct access code, the grant opportunity will appear for you to click the “Apply” button to submit your application.
