The Kiwanis Children’s Fund exists to support Kiwanians as they serve the children of the world. We know that every club and every district has programs and projects that address the unique needs of young people in their communities. To support those activities, the Children’s Fund accepts gifts from generous donors worldwide and then extends the impact of that support in a number of ways, including:

**DISTRICT GRANTS**
Eligible Kiwanis districts are invited to participate in a special, short-term grant to help fund projects that focus on healthy kids, educated kids and leadership development.

**TOP 5 DISTRICT SCHOLARSHIPS**
Each year, 15 students receive a total of US$22,000 in scholarships to assist with their post-secondary education expenses. Scholarship recipients are selected by the five districts which raise the most money for the Kiwanis Children’s Fund.

**CLUB GRANTS**
A club grant helps Kiwanians complete or expand a service initiative -- whether it’s in your own hometown or a world away. Projects support activities addressing at least one of the following causes:
- health
- education
- youth leadership development
