Clean drinking water. Backpacks full of school supplies. Scholarships for higher education. Immunizations to protect mothers and babies from a deadly disease. Whatever the method, the resolve of the Kiwanis Children’s Fund to help children thrive, prosper and grow is stronger than ever. Because kids need Kiwanis.

Our collaboration with individuals, clubs and districts extends the impact Kiwanians make. The work of the Kiwanis Children’s Fund is heard in the laughter of kids swinging on the playgrounds we helped fund or seen in the smiles on children’s faces when they receive a book, new shoes or a winter coat.

The Children’s Fund extends the goodwill and vision of Kiwanians into programs that serve the children of the world.

WAYS TO SUPPORT THE KIWANIS CHILDREN’S FUND

Whether you designate your gift to a specific initiative like The Eliminate Project or simply want your gift to support the area of greatest need, there are several ways to make life-changing impact through the Children’s Fund. Many club and individual gifts can earn recognition for the donors.

INDIVIDUAL GIFTS
Anyone can give directly to the Kiwanis Children’s Fund online or through the mail.

CLUB GIFTS
Many Kiwanis clubs make annual and ongoing gifts to the Children’s Fund. Clubs often base their annual gifts on a set amount per member. In addition, more than 88 percent of clubs have made pledges and gifts to The Eliminate Project.

PLANNED GIFTS
Anyone can ensure that their commitment to the values of Kiwanis continues beyond their lifetime. From insurance proceeds and wills to more complex financial instruments, the Children’s Fund staff can help craft a plan that benefits both the donor and the children Kiwanis serves.
