Building relationships

• Honesty
• Transparency
• Hard conversations
• Openness to feedback

Always strive for open and trusting relationships with applicants and grant partners.
Communications

• Clearly explain:
  – What you fund.
  – What you do NOT fund.
  – How you measure success.

• Initiate dialogue.

• Pick up the phone.
Rightsizing your process

- Tailor expectations to your grant amount.
- Be mindful of the net grant award.
- Take a fresh look.
Collaboration

• Be a resource!

• Non-financial assistance:
  – Development of performance measures
  – Encouraged and facilitated collaboration
  – Research of best practices
  – Assistance with communications, marketing and publicity
