Dear friend,

You’re a Kiwanis member — you know the satisfaction of changing children’s lives. The Kiwanis Children’s Fund is proud to offer you an opportunity to *amplify* that impact. With a gift, we can help you reach children near and far.

In fact, a gift like yours could change kids’ lives around the world. Over the past year, grants from the Children’s Fund have already helped Kiwanians:

- Offer a week of summer camp to underprivileged children in Georgia.
- Provide first aid, food and water to children affected by disaster in Texas, the Philippines, Sierra Leone and elsewhere.
- Renovate classrooms in Colombia.
- Give scholarships to the next generation of leaders.
- Make sure children in need arrive for the first day of school with required supplies.

Donations made these grants possible for Kiwanians who wanted to help. When you give to the Children’s Fund, we turn your money into something meaningful — and we make it go farther because each gift is a way of joining other Kiwanis members who are doing the same.

After all, we do more when we do it together. You can help lead the way. I hope you’ll add the power of your generosity to the life-changing mission we all share.
