Convention news

One action taken by delegates at the Vancouver convention moved the deadline for amendment and resolution proposals forward from February 15 to October 31. Proposals will now be distributed to clubs 90 days before the Kiwanis International convention, allowing clubs to take advantage of early-bird registration rates to send delegates to vote on pending proposals.

Make sure your club has a voice at the 2014 and 2015 100th anniversary conventions. Consider budgeting administrative funds to help cover the registration fee, travel or other expenses.
