Charitable cars drive intercontinental change

The passion two Swiss Kiwanians share for classic cars has been harnessed by the Kiwanis Club of Weinfelden to fundraise thousands of dollars for children in the African nation of Zimbabwe. Read more.

Teamwork: Overcoming crisis, raising $100K

Perseverance and community networking allowed one Canadian Kiwanis club to contribute funding toward the construction of a recreational center in its community. Supporting the project soon became a route to not only the community's transformation, but also the club's. Read more.

Partnering to feed the hungry

The Eliminate Project
Hunger is often an invisible community tragedy. But for the past 15 years, the Manhattan, Kansas, Kiwanis Club has had a very visible connection to a food network that feeds thousands of families. Read more.

Turbo enjoys spending time with his best friend on the bus, at the beach and at home. But Turbo is no ordinary dog. He's a service dog that was purchased with the support of the Morrinsville, New Zealand, community and specially trained to assist the family of a boy with autism. Read more.
