Tricycle races  
Kiwanis Club of Aiken, South Carolina  
28 members  
Net: US$4,000 to $7,000  
Cheryl Fogle, 2011-12 club president

We recommend:

- Having dedicated volunteers.  
- Making each child feel special.  
- Starting as early as five months in advance to get the sponsors lined up.  
- Being sure sponsors feel appreciated and recognized.  
- Making it a fun event for sponsors, parents and children.

We make sure each racer has someone at the finish line cheering them on, and each child walks away with something. Each age level has its own race, with no more than six racers. Depending on how many racers we have, we may have more than one race per age level. The awards ceremony takes place after the last race. The winner of each race receives a trophy, and ribbons are given to each racer in second through fifth place. The racer in last place receives the Sportsmanship Award medallion. Each racer receives a round of applause as they accept their award.
