YOUR FRIENDS. YOUR NEIGHBORS. YOUR LOCAL KIWANIS CLUB.

Why it works

Kiwanis and its family of clubs are nearly 600,000 members strong. They annually raise more than US$100 million and dedicate more than 18 million volunteer hours. All together, more than 7,000 Kiwanis clubs make Kiwanians a powerful force for serving children and changing lives. Each club is an independent entity, with its own traditions and priorities. What’s so great about your local Kiwanis club?

• It’s member-led.
No two Kiwanis clubs are alike. From meeting times and locations to club leadership, each club is designed by its members, for its members.

• Clubs fit their communities.
Each club determines its own service projects, fundraising activities and more. Members see what the community needs and then determine how to meet those needs.

• Members get directly involved.
Hands-on renovations of parks and playgrounds. Ongoing reading programs. Fundraising for schools, shelters and children’s hospitals. Sponsorship of local Kiwanis youth programs. In these and other ways, Kiwanis clubs have become part of children’s lives.

• The local goes global.
Club members can attend district and international conventions—and run for district and international leadership positions. In addition, special projects, such as The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus, take your impact worldwide.

Who joins Kiwanis?

Kiwanis club members step forward. They believe in service. They care about children. They matter to the community around them—because the community matters to them.

They’re people like you. Friends. Neighbors. Volunteers who want to make a difference. And they love to see the difference they make when they work together.

There’s no better feeling than serving your local community. And there’s nobody better to do it with than your local Kiwanis club.

Why we need you

Kiwanis is a global organization of members who serve the children of the world. But every club is different. In fact, a Kiwanis club is like a community within your community.

As a member, you can:

• Enjoy the fellowship of like-minded people.
• Experience the satisfaction of changing lives and improving the community.
• Explore leadership opportunities.

When people work and serve together, communities grow stronger. So do Kiwanis clubs . . . and club members.
