SPEAKER'S BUREAU HELP

Does your district or club have a Kiwanis speaker's bureau? Do you have success stories or suggestions on how to identify good speakers, provide training on giving Kiwanis-branded presentations and locate groups that could benefit from learning about Kiwanis? If so, JoAnn Dixon, the New Jersey District PR Coordinator, wants your input. Contact JoAnn at jcd85@verizon.net or post your ideas on the KI PR Facebook page.
KIDS NEED KIWANIS STORIES

How does your club share the way it helps kids in your community? The Kiwanis Club of Indianapolis, Indiana, awards scholarships to the most deserving of kids and shares stories of students who have overcome hardships to stay in school – and go on to college. These kids will inspire you and remind you why #KidsNeedKiwanis.
