About Kiwanis One Day

Each year, Kiwanis clubs around the world join in a day of service. Kiwanis One Day was established in 2007 to unite the Kiwanis family and their communities in the spirit of service and camaraderie to make an immediate and measurable impact on communities around the world.

The special day of service seeks participation from the nearly 600,000 Kiwanis family members involved in Kiwanis, Aktion Club, Circle K, Key Club, Builder’s Club and K-Kids in 80 countries around the world.

Kiwanis members identify local community service projects relevant to their area’s local needs. Activities might include anything from playground builds and painting murals to beach cleanups, raking leaves, collecting food or providing maintenance. Global Contribution

If all Kiwanis and Kiwanis-family members contributed at least two hours of community service, Kiwanis would give the world more than one million hours of volunteer service in just one day! If nearly 600,000 volunteers donate their time to communities on Kiwanis One Day, the value of their volunteer hours would represent more than US$17 million.
