Connecting local club pride to Kiwanis International’s 100th anniversary celebration by bringing playgrounds to communities
What is Landscape Structures?

Landscape Structures Inc., a Kiwanis Vision Partner, has been creating innovative playground equipment since 1971. The Kiwanis family partners with Landscape Structures to bring play and playgrounds to communities, especially on its signature day of service: Kiwanis One Day.
Why LSI: Working together for kids

Landscape Structures is partnering with Kiwanis because it shares Kiwanis’ goal to support the health and well-being of children. Together, Kiwanis and Landscape Structures can improve the lives of children through play! It all starts with giving children access to safe and fun outdoor playground equipment. Playing outdoors helps kids connect with nature in their own way.
Connecting to the 100th Anniversary celebration

A playground brings laughter, joy, community spirit, family memories and more. What better way to celebrate Kiwanis’ 100th anniversary than by bringing a custom Kiwanis playground to your community?
100th Anniversary
playground opportunities

• Kiwanis centennial play structures are offered at three price points: US$50k, US$75k, US$100k
• Customized Kiwanis components
• Personalized freestanding play components
• Ability to pick and choose to work within any budget

I’m excited!
Now what?

First, review the Kiwanis Playground Planning Guide. It’s full of great resources like:
• Partnering with community members for funding support
• Envisioning, analyzing and designing your play site
• Installation and maintenance tips
• How to recognize your partners

It’s all online at
www.kiwanis.org/lsi
Next, talk with the experts

LSI has a global network of more than 200 local playground consultants with years of experience. They can help you create the play space of your dreams within any budget. Remember, enhancements to an existing play structure are a great idea too. Check out the options in the next set of slides.

Contact LSI today at 888-438-6574 or 763-972-5200 to be connected to your local playground consultant.
You can add to an existing play space or enhance a smaller park with freestanding playground options. These options are unique and personalized to highlight Kiwanis and its 100th anniversary.
Kiwanis signage on both sides.
Adding an assisted swing.
This incorporates both the standard and assisted ZipKrooz creating a truly inclusive “flying” experience for all abilities.
Customized colors coordinate with the 100th Anniversary and includes a Kiwanis logo.
Customized colors on the ball clamps coordinate with the Kiwanis 100th Anniversary branding.
Kiwanis signage and denim blue color.
Denim blue color coordinates with Kiwanis 100th Anniversary branding and designs.
Kiwanis signage to coordinate with the 100th Anniversary designs.
Kiwanis signage on post and colors to coordinate with the 100th Anniversary brand.

Freestanding: Flywheel™ Spinner
Choose from either the personalized Kiwanis Kaleidoscope Bench (below), welcome sign (top right) or PlayShaper/PlayBooster play panel (bottom right) as a **FREE** add-on for Kiwanis clubs participating in a Landscape Structures play structure purchase.

Your playground consultant can work with you to discuss which component pieces are best suited for your needs and budget.
A sign is a great way to show appreciation for your supporting partners.
Ways to save money

Your local consultant can help you find creative ways to save money on your play structure. Ideas include:

• A community build: saves on installation
• Donated surfacing: a local manufacturer can donate surfacing or offer it at cost
Other things to consider

Your community build is a fantastic way to:
• Build and generate local media interest
• Engage local officials who could be part of the groundbreaking, build or inauguration
• Increase the Kiwanis brand in your community and throughout the world
• Develop a meaningful Kiwanis One Day project in 2015
