Kiwanis presents K University, a one-day “traveling road show” of workshops and forums focused on team building, motivation, communication, and managing change.

Kiwanis leaders and professional staff guide sessions and discussions on a variety of issues, including Kiwanis’ future, adjusting to change, membership recruitment, service, and more.

- Hear from Kiwanis leader and professional speaker Steve Siemens in addition to International office staff.
- Interact with other motivated Kiwanis members and take home new ideas!
- Learn about the Kiwanis vision for the future.

Dear Kiwanian:

I would like to extend an invitation to you and the members of your club to join us at K University. Kiwanis International is excited to come to you!

This event has been designed to offer members the opportunity to meet Kiwanis leaders, learn about Kiwanis and key leadership topics, and interact with motivated Kiwanians without giving up an entire weekend.

An aggressive agenda has been planned for the day with time available for informal interaction over lunch. The Kiwanis-focused topics will include the organization’s vision for the future specifically in North America, new marketing and service initiatives, and ideas for improving your club. Leadership topics will include Change, Motivation and Teambuilding.

Our organization has huge goals, and you are invited to be a part of the future. Take this opportunity to hear the message and get excited about Kiwanis!

Yours in Kiwanis Service,

Nelson Tucker
International President
